HURRICANE RATED Impact Glass Skylights

Self-Flashing (ISFG)

Curb Mount (ICMG)

Kennedy Skylights manufactures high performing, quality glass skylights in both curb or deck mount models to accommodate all roof pitches and roofing systems. Our **Impact Glass Series** features a severe weather, hurricane glass.

IMPACT GLASS FEATURES:

- Dual pane, argon filled glass with LoE-240 coating
- Inner safety pane features two layers of strengthened glass with a plastic film inner layer designed to hold together when shattered
- ICMG is large missile approved for High Velocity, Hurricane Zone (HVHZ)
- Meets performance standards for air infiltration, design pressure, water penetration and load testing
- High performance ratings for light transmission, solar heat gain, U-factor, and fading transmission
- Advanced technology dual-seal silicone system with patented stainless steel spacers

KEY DESIGN FEATURES:

- .062 extruded heavy-duty aluminum frame
- Welded corners for added strength and leak-proof barrier
- Powder coated bronze exterior for additional durability
- Easy-release, continuous hinge secures skylight frame to curb for quick removal and designed to divert water away from skylight
- Full perimeter condensation gutter prevents water infiltration

WARRANTY:

- 25-Year non-prorated limited warranty on insulated glass against seal failure
- 10-Year limited warranty against defects in workmanship and materials

Certifications

- Certified to meet performance criteria as defined by AAMA/CSA/WDMA 101/I.S. 2/A440
- Florida Building Code Approved
- Class V2 Fire Rated
- NAMI Participant (Quality Assurance Program)
- Miami-Dade County Approved (MD-ICMG only)

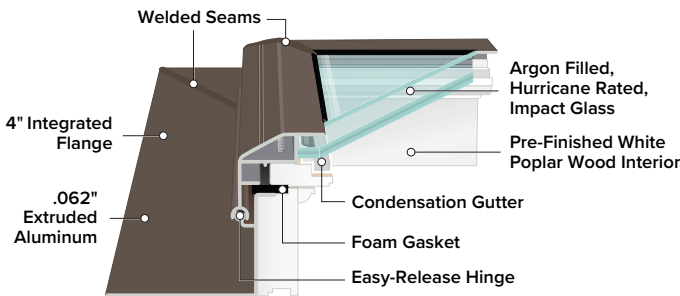

Impact Glass Skylights

ISFG Self-Flashing Fixed Glass

| 2" | 4" | 6" | Curbs

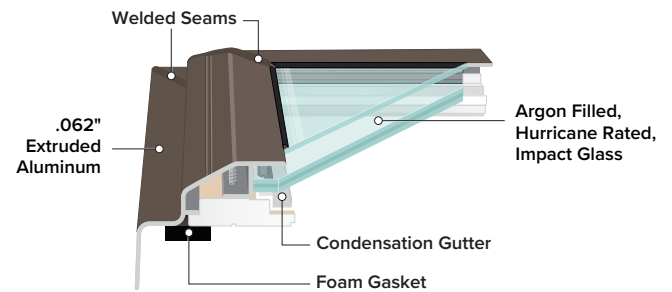

- LoE-240, argon filled impact glass - hurricane rated
- Meets the stringent requirements of the Florida Building Code (FL15592.5)
- Choice of 2", 4" or 6" high curb
- Drywall return sized for both 1/2" and 5/8" drywall
- .062" extruded aluminum with welded corners
- Integrated 4" flange with pre-drilled screw holes
- Powder coated bronze exterior
- Pre-finished white poplar wood interior
- 25-Year non-prorated limited warranty on insulated glass against seal failure
